

Material Safety Data Sheet

Argireline

Last Revised: 11/06/08

1. Product Identification

Product Name: Argireline
Chem. N.: Argireline Solution is an aqueous dilution of an anti-wrinkle peptide.

2. Physical and Chemical Properties

Melting Point: Not applicable
Boiling Point: Not determined
Specific Gravity: 0.99 ± 0.05 g/mL
Solubility in Water: Soluble
pH Value: 2.0-5.0
Appearance & Odor: Liquid, colorless with characteristic odor

3. Stability and Reactivity

Conditions to Avoid: Not Known
Incompatibility: Not Known
Hazardous Decomposition: Not Known

4. Handling and Storage

Keep product in a clean, cool, and dark place

5. Accidental Release Measures

For large quantities use the proper absorbent and pump them into the correct container. Small quantities can be flushed with plenty of water into the sewage system. Dispose in accordance with federal, state, and local regulations.

6. Exposure Controls & Personal Protection

Respiratory Protection: None
Protective Clothing: Protective gloves and eye protection
Other Protective Measures: Avoid eye contact. Keep the product in a clean, cool, and a dark place.

7. Hazards Identification

Argireline Solution used as a cosmetic ingredient is not hazardous to men and/or environment.

8. First Aid Measures

Eyes: Rinse immediately with plenty of water. Seek medical attention if irritation persists.
Skin: Rinse with water
Inhalation: Not applicable.
Ingestion: None

9. Fire Fighting Measures

Flash Point: This substance does not have a measurable flash point.
Auto-ignition Temp: No data
Extinguishing Media: Water, carbon dioxide, foam, dry powder
Fire Fighting Procedures: None known

10. Toxicological Information

Acute Oral LD50: No data
Dermal and Eye Irritation Test: No data
Carcinogenicity: No data
Mutagenicity: No data

11. Disposal Considerations

Dispose in accordance with Federal, State, and Local regulations.

Important Notice: The information presented herein is based on experimental data submitted by the manufacturers of the raw materials and is considered scientifically correct; however, no warrant or representation, express or implied, is made as to the accuracy or suitability of this information for application to the purchaser's intended purpose or for consequences of its use and we assume no responsibility for any loss, damage or expense, direct or consequential, arising out of its use. Use these materials only as directed. If you have any questions regarding the proper interpretation of this sheet or the meanings of any terms used, we strongly urge you to speak with your physician. For further information concerning product safety and proper use, call the number listed on the front of the MSDS.
