

Material Safety Data Sheet

Everyday Lotion

Last Revised: 3/9/09

1. Product Identification

Product Name: Everyday Lotion

Flash Point: N/A

2. Physical and Chemical Properties

Melting Point: Not Determined

Boiling Point: Not Determined

Specific Gravity: 0.9-1.0

Solubility in Water: Substantial

pH Value: 5.5-6.5

Appearance: White Lotion

Odor: Characteristic

3. Stability and Reactivity

Chemical Stability: Stable

Incompatibility: Extreme heat or sun

Hazardous Decomposition: None Determined

Hazardous Polymerization: Will not occur

4. Handling and Storage

Store in a cool, dry place. Temperature precautions: Avoid extreme temperatures. Keep container closed

5. Accidental Release Measures

Mop up or wipe up and dispose in waste containers. If large spill, contain by diking with soil or other absorbent material.

6. Exposure Controls & Personal Protection

Respiratory Protection: Local Exhaust

Eye Protection: Use proper precautions – safety glasses as minimum.

Protective Clothing: Gloves

Engineering Controls: No special procedures

Other Protective Measures: Eye wash station in work area.

7. Hazards Identification

This product is not considered hazardous.

8. First Aid Measures

Eyes: Flush eyes for 15 minutes. Consult physician if needed.

Skin: No first aid should be needed.

Inhalation: No first aid should be needed.

Ingestion: Do not induce vomiting. Consult physician immediately.

9. Fire Fighting Measures

10. Disposal Considerations

Dispose of in accordance with all local, state, and federal regulations.

Important Notice: The information presented herein is based on experimental data submitted by the manufacturers of the raw materials and is considered scientifically correct; however, no warrant or representation, express or implied, is made as to the accuracy or suitability of this information for application to the purchaser's intended purpose or for consequences of its use and we assume no responsibility for any loss, damage or expense, direct or consequential, arising out of its use. Use these materials only as directed. If you have any questions regarding the proper interpretation of this sheet or the meanings of any terms used, we strongly urge you to speak with your physician. For further information concerning product safety and proper use, call the number listed on the front of the MSDS.
